

New EcoXtreme LT Ink for Increased Profitability

Introducing EcoXtreme LT ink, offering exceptional image quality, outstanding color density and wide gamut for short-term graphics — all at a lower cost. EcoXtreme LT ink images beautifully on both coated and uncoated media, even in high-speed modes. Offered in six colors (CMYKLCm), EcoXtreme LT is available exclusively for Roland AdvancedJET inkjet printers including the 104" AJ-1000 and 74" AJ-740.
